They also don't shrink and will continue to fit your mattress on day 365, just like they did on day 1. Our brushed PeachSkin finish is available on both sides of our sheets and pillowcases. This ensures that no matter how much you twist and spin, your skin will always touch incredible softness. Our Smart Fabric wicks moisture away, releases wrinkles in the dryer, resists looting and stays true to size without shrinking or stretching out. Designed to keep you cooler in summer and cozier in winter, our lightweight material breathes to help regulate the temperature. Regardless of the season, it works with your body and environment to promote drier, more comfortable sleep.
